WHY BECOME A SPONSOR?

Through a business partnership (a sponsorship), you and your workplace contribute to supporting the cultural institution that was gifted to the city of Esbjerg in 1968.

SUPPORT THE CULTURE

Through a business partnership, you and your workplace demonstrate your support for the city's traditions and development. Your company contributes to supporting future research in Denmark's cultural and natural history, as well as creating better conditions for animals, museum artifacts, and guests at the museum.
